

Do you shop at **SAFEWAY**  ?

Every time you shop at Safeway you will be supporting ROCKSOLID Community Teen Center. Safeway wants to support groups their customers believe in. It's simple give us your Safeway Club Card Number (not your phone number ~ if you don't know it, call 1-877-safeway and they will give you the number) and your address. After you are registered Safeway donates up to 4% back to RSTC from your shopping totals.

This program does not affect any store discounts or promotions. And it does not affect any airline mile programs affiliated with Safeway. If you are currently supporting another group, that is OK, you can support up to 3 groups with eScrip.

RSTC is a non-profit after school program for 5th-12th grade. Programs like eScrip help us to offer the center free of charge to the students., Questions about the teen center and it's programs please contact Nancy Miller at 885-2181 or email this info to RocksolidTeenCenter@comcast.net

Thank you for your support of the youth of our community.
